REVIEWS AND RECOMMENDATIONS

GEORGE - BUYER

"From our initial interest to finding our dream vacation home, Nola Horton-Jones at Sunriver Realty was the best! She really has the pulse of the Sunriver market. You could not ask for a more professional, conscientious, pleasant and hard working agent! She was by our side through the entire process and always gave excellent advice. Nola also worked very closely with our lender and title company to make sure all the details were addressed. You could not ask for a better agent."

TIM & LISA - BUYER

"Nola and Bryce were very professional from our first conversation to after closing. We felt very well advised on the local market in Sunriver, and appreciated all the extra effort regarding small details I never would have thought of. They very clearly had put our best interest first and foremost, and continued to assist us well after the purchase. I would recommend them without hesitation and we hope they are still working in our area when the time comes to sell."

JIM & MINDY - BUYER

"Bryce Jones and The Jones Group. Wonderful, honest professionals with tremendous integrity. Unmatched market knowledge. Great communicators. An attentive support team backing them up. They helped make our dream house a reality. I highly recommend Bryce Jones and The Jones Group."

TIMOTHY - BUYER

"Nola and Bryce have been amazing! I had previously used another Realtor at your office to buy then later sell a lot in Caldera Springs and the experience was ok, this time it was great. I plan to use Nola and Bryce for any future real estate needs I have in central Oregon, and will recommend them to anyone looking to buy or sell."

BETH & BARRY - SELLER

"Bryce and Nola did an outstanding job selling our home in Sunriver! Our home needed some repair and updating before we put it on the market. Bryce and Nola helped us every step of the way. They are amazing professionals - extremely skillful, helpful and friendly. They represented us very well during the negotiation and escrow process. We highly recommend Bryce and Nola to anyone who is considering buying or selling property in Central Oregon."

JIM - BUYER

KAREN - BUYER

"Bryce is an excellent example of what a Realtor should be. He always answered every question we had, and we had a lot. He is very knowledgeable about the different areas of Sunriver, the rules and regulations, and the history of Sunriver. Nola is also excellent at her job; she had to handle the negotiations with the listing broker when Bryce was away. Without the two of them working so well together, we would not have been able to get the house at a fair price. We highly recommend Bryce and Nola to anyone thinking of buying a home in Sunriver or the surrounding area."

CYNTHIA - BUYER

"Bryce spent two days just showing us around and getting to know our interests. He took us around to see places we found and he suggested. He was easy to contact and always found answers to our questions."

WIL, HUTCH, THE BEAR, AND THE ROLLING STONES - SELLER

"Nola & The Jones Group – with such a name you sound like a rock band, but we know you're really the most progressive Realtors we've known for finding the new owners of Deer Lane #7. Here's a toast to you with some fine wine which suddenly appeared on our doorstep!"

KATHERINE - BUYER & SELLER

"Nola is the best broker we've ever worked with anywhere in Oregon. Her knowledge and advice were extremely professional and high quality."

LEE & SHERRY - SELLER

"We thank you for your diligence, professionalism, and creativity in getting our home sold. You have made us quite happy in our new home and community. It would not have happened without your hard work and persistence."

KATHARINA - BUYER & SELLER

"Bryce was the ABSOLUTE best!!! He hung in there with us through difficult negotiations and kept us apprised throughout the process!"

DALE & JANELLE - SELLER

"I'd like to say again THANK YOU for fantastic representation and professional approach. I've been involved with a lot of real estate deals, and I happen to live with an excellent agent, so I feel I know competent and phenomenal real estate professionals when I see them. As far as I'm concerned, you rank up there with the best I've ever worked with. Thanks again for the help and support, and we'll be talking more sooner than later about finding that 4 bedroom home with views or river front access in Sunriver."

MICHAEL & KRIS - BUYER

"Thanks once more for the time you spent with Kris and I today. We try to be quick learners and now we're certain we have a good team of teachers. Thank you for being on our side."

ROLAND, DESIGNATED PRINCIPAL BROKER

"It's not often that we get a chance to tell our fellow Real Estate colleagues thank you for a job well done. Your cooperation with Debbie [broker] was an integral part of this successful closing and we want to thank you for your hard work and diligence on your end to help create a "win-win" for both the Buyer and Seller. Our brokerage recognizes your contribution to this successful transaction and understand the time and expertise it took to complete this transaction. It's not often in this Industry that you get a "shout-out" for a job well done and we wanted to let you know it was our pleasure working with you. Congratulations on the closing, we look forward to working with you again in the future."

CHRIS - SELLER

"I was very pleased with Bryce Jones while selling my home in Crosswater. He's very professional, thorough, and personable. He listens and thinks about what you say. He's got lots of good advice, too, if you ask for it. I've been recommending him to all of my friends who are looking at homes, and they are also very pleased with him. I'm currently looking at homes with him."

MICHAEL - SELLER

"Nola did an incredible job of communicating and advising me throughout the process."

SUSAN - BUYER

"Bryce went above and beyond in making this a smooth purchase for us."

DENNIS - SELLER

"I have bought and sold many properties and work with many Realtors. Bryce Jones rates at the top of the list and I would not say that about all SR Realty agents I have met, nor other agents in SR. Bryce knows the market locally and what impacts it. He knows homes and he knows how to market homes. He is always available, communicates well and patiently worked with me over a period of years to assist me in also knowing the SR market. I never felt pushed that he wanted to make a sale. He is respectful in his comments about others and is personable as well. I know his sale numbers are excellent for SR Realty, but the icing on the cake is he is also a consummate professional. You are fortunate to have him."

JAN - SELLER

"We worked primarily with Nola Horton-Jones. We enjoyed working with you and appreciate all your dedication in helping us out in selling our home."

NANCY

"Bryce was attentive to our needs throughout the entire sales process. He is an effective communicator, always quick to respond, very knowledgeable of the market and market conditions, professional, and extremely thorough. Thank you, Bryce!"

JIM - BUYER

"Bryce was excellent. We've bought 14 homes over the years and he is among the best to work with."

WILLIAM - SELLER

"Top notch professional. I am an absentee owner. Bryce handled a lot of issues such as repair bids that an on-site owner would have taken care of. Use of "[electronic signature system]" helped make the paperwork easy and timely. This property had unique title issues that Bryce helped the title company accept."

KIRK & RUTH - BUYER

"Bryce was always one step ahead of us, and the process. He was very proactive and professional!"

JIM - SELLER

"House was sold in one week of calling Bryce. Great customer service and attention to detail."

MICHELLE - BUYER

"Nola was a true professional. She always had our best interest at heart and was accessible at any time."

DAVID - SELLER

"Bryce and Sunriver Realty were great to work with. Their integrity helped us ask for and get a good and fair price for our house. They were responsive and accessible throughout the process. Our stress level was quite low as a result."

MICHELLE ON BEHALF OF THE CHAMBERS FAMILY - SELLER

"Our original Realtor retired and transferred our listing to Bryce Jones. The transition was seamless due to Bryce's professionalism and knowledge of the industry. Once we accepted an offer he worked hard to help streamline the process and keep everything on track to close as planned. We were required to get some minor repair work done, so we asked Bryce for recommendations on who we should contact to complete the work. He not only provided reasonably priced recommendations, he also contacted the contractors and coordinated all the work while keeping us updated every step of the way. Bryce made selling our house in Sunriver go smoothly and we would recommend him to anyone interested in buying or selling a house."

BARBARA – BUYER & SELLER

"I have bought and sold many properties over the years, so my standards for a Realtor's performance are very exacting. It is, therefore, a supreme compliment when I say that Nola Horton-Jones is one of the finest Realtors I have ever worked with. She has just helped me navigate through the first half of a very complicated real estate transaction, and I am confident that she will perform with equal excellence in the second half of this challenging task. Nola is whip-smart, calmly efficient, genuinely warm, and stunningly effective in the practice of her profession. In addition, she brings with her the high-powered excellence of the entire Jones Group and Sunriver Realty, so when you hire Nola as your Realtor, you are actually hiring an extensive first-class team. I give Nola Horton-Jones and the Jones Group my highest recommendation for anyone who wants to buy or sell a home in Sunriver and the surrounding area."

RANDY & DORIS - BUYER

"My wife and I have never worked with better real estate agents. And we've worked with a lot. They are patient, thorough and professional. We highly recommend them."

BOB & ALICE - SELLER

"It was a great experience to sell our home through Bryce Jones and the Jones Group at Sunriver Realty. I had not met Bryce prior to listing and had the easiest Real Estate experience that I have ever experienced. It was very professionally handled from start to finish. I would highly recommend his group at Sunriver Realty. Thank You!"

RITA & LEONARD – BUYER

"Bryce and Nola make a wonderful team! I worked closely with both of them and enjoyed the entire experience. Any questions were answered almost immediately and they were also very open in giving me their suggestions whenever appropriate. We've already enjoyed our new place and look forward to being long term Sunriver property owners. Thank you Bryce and Nola for everything!"

RAY & DOTTIE - BUYER

"Dottie and I would like to thank the both of you for your outstanding assistance in the purchase of our vacation home in Sunriver. I have experienced numerous purchases during my military career and several things that stood out the most is timely, and accurate information and making sure that nothing was overlooked. Bryce and Nola you far exceeded our expectations. Thank you so much!"

CHRIS & HILLARY – BUYER & SELLER

"Bryce has shown that he is a professional Realtor. He goes beyond the routines of a Realtor and ensures that his clients are well informed, up to date and knowledgeable regarding their needs. Bryce has been an immense help to us managing our real estate needs as we live out of state. We would recommend Bryce highly."

DAVE & BETTY – BUYER

"Bryce provided an excellent tour and information about the different areas around Sunriver, Three Rivers, and La Pine. He gave us a lot of information about wells, Septic Systems, HOA, and CC&R that help us decide on our purchase."

PATTI - BUYER

"Bryce was wonderful to work with. He was easy to reach, prompt in returning calls and answering questions. Made himself available on short notice to show us several homes and was very knowledgeable of the homes we saw. Being out of town, he made it easy for us to sign documents electronically so the process kept moving forward without delay. It was a pleasure working with him."

JANET – BUYER

"Bryce is a really great guy and saved us from many mistakes we could have made. He has an excellent knowledge of the area."
